Residing with her daughter, Mrs. Nancy M. Street, in an attractive little cottage on the Gay road, Palmertown, Mrs. Lyman Rogers will on next Tuesday celebrate the 101st anniversary of her birth. She comes to this notable day mentally and physically more active than many persons who count only the allotted three score years and ten.

In walking she relies to some extent upon her staff now, but she likes to be out of doors all she can. While to hereditary longevity may be ascribed the sum of years she has enjoyed, the aged woman herself attributes it largely to the good plain living of ner earlier years, combined with her extraordinary will power and determination, this latter at times making it no easy matter for her family to guide her movements, the has never had a doctor, except at the birth of her children, and she wisws born in North Groton, now known as the town of Ledyard, Aug. 16, 1809. ## IT'S YOUR KIDNEYS.

Repairs on the Norwich Town rail- Don't Mistake the Cause of Your Troubles. A Norwich Citizen Shows How to Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think i will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys .- Norwich people tes-

tify to permanent cures. D. J. Brown, 6 Summer Street, Norwich, Conn., says: "The results that followed the use of Doan's Kidney Pills in my case were most satisfactory. I procured this remedy from N. D.
